Re: Call for submissions to join the Okanagan Film Commission Board of Directors

Dear Regional District/Community Partners:

The Okanagan Film Commission is looking to recruit for new members to fill available positions on the Okanagan Film Commission Board of Directors. The Board meets monthly at various locations throughout the Okanagan Film Commission region, and is currently made up of funding partners, and members at large. We currently are looking to find representatives from the North, Central, South/Similkameen and Boundary regions. Any experience pertaining to the film industry is not necessary, but is valued.

Those who are interested in the development of the film industry in the Okanagan region and are willing and available to volunteer time by participating in monthly Board meetings in person or via conference call should email the Okanagan Film Commission at info@okanaganfilm.com or call 250-717-0087 for more information. A representative from the Board of Directors will return your call to answer any questions you may have about the Okanagan Film Commission Board of Directors.

Please consider joining this dynamic group of volunteers. For more information on the mandate of the Okanagan Film Commission please visit www.okanaganfilm.com.

Thank you.

Bill Baird - Chair
Okanagan Film Commission
